

Google Earth Resources

Download Google Earth FREE

<http://earth.google.com/download-earth.html>

Google Earth Videos

<http://earth.google.com/tour.html>

Be sure to click the right arrow to the right of the video icons. There are more videos in this series.

The Google Earth User Guide

<http://earth.google.com/userguide/v4/>

Have you ever heard the old saying, “The cheapest way to upgrade your software is to read the manual”? It’s true!

The Sightseer- Google Earth’s Monthly Newsletter

http://earth.google.com/sightseer_signup.html

If you didn’t sign up for this when you downloaded Google Earth, do it! This email subscription will keep you up to date on all the improvements being made to Google Earth and share some “just cool” Google Earth findings.

The Google Earth Community

<http://bbs.keyhole.com/ubb/ubbthreads.php/Cat/0>

This is the site for the Google Earth Community where you can post questions and get answers from Google Earth enthusiasts.

Google Earth Education Community

<http://edweb.tusd.k12.az.us/dherring/ge/googleearth.htm>

A nice site with links to several Google Earth projects for Art, History, Science, and Literature.

Beyond Your Backyard

<http://video.google.com/videoplay?docid=1825732698496120777&hl=en>

Google holds regular in-house lectures. This video is a few years old, but it is given by one of the members of the Google Earth development team and has quite a few worthwhile bits of information.

Google Earth on Google Video

<http://video.google.com/videosearch?q=%22google+Earth%22&hl=en&emb=0#>

This URL is actually a search string for “Google Earth” for Google Video. An amazing collection of short videos dealing with a vast array of Google Earth topics such as “secret images” in Google Earth, very unusual images captured by Google Earth, amazing animal images, introductions to new features, etc.

Google For Educators: Geo Education

<http://www.google.com/educators/geo.html>

This page has information for all of Google’s Geo Education tools including Google Earth, Google Sky, Google Maps and Google Sketchup.

Google for Educators Discussion Group

http://groups.google.com/group/google-for-educators/search?group=google-for-educators&q=google+earth&qt_g=Search+this+group

It’s a long URL, but it will take you to the Google For Educators Discussion area already filtered down to Google Earth specific discussions.

juicy geography: Google Earth Lessons

<http://www.juicygeography.co.uk/googleearth.htm>

Google Earth Blog
